

Promissory Note

We, the undersigned player and parent(s)/guardian(s) by signing this Promissory Note, do hereby consent to the following: **Player Fees:** We hold ourselves personally responsible for the prompt payment of all fees set by the NH Lacrosse Executive Board with respect to the cost of the player's participation in the club which we understand are not refundable. Fees at the total cost are to be paid in full prior to the start of the season according to the following schedule:

Due by March 31, 2026: **Balance remaining**

Failure to pay these fees by the first season game without prior arrangements made and accepted by the NH Lacrosse Executive Board will result in the termination and/or voluntary withdrawal from the program and does not absolve you from payment of the above fees. Acceptance on the said team and staying current in respect to players fees, gives the player the right to attend all practices, games and tournaments. While the philosophy of the NH Lacrosse Club is to enable as many players as possible to participate, actual playing time per individual is determined by the coaches.

Please note all players must have a current, through June 30, 2026, US Lacrosse Association Membership. Visit www.uslacrosse.org for new membership or to renew/extend existing membership and/or to print of proof of membership.

Equipment and uniforms: All borrowed equipment; practice and/or game jersey shall be returned to the NH Lacrosse Club in the condition it was dispensed to the player. Failure to do so will inhibit the player from signing up the following season or participating in any activities provided by the NH Lacrosse club until all outstanding items are returned.

The registration process will include a question asking you if you have read and accept the Promissory Note policy. Selecting 'Yes' indicates that you have read and voluntarily affixed your electronic signature to this document. Agreeing that no oral representations, statements or inducement apart from the foregoing written application have been made. This application is specifically intended to include each and every sanctioned event authorized or promoted by said releases during the entire season and applies to each and every event the undersigned participates or spectates. By electronically signing this document, we are intending to be legally bound hereby.
